

AGENDA FOR ROSE VALLEY BOROUGH ENVIRONMENTAL ADVISORY COUNCIL  
MEETING OF APRIL 26, 2022

1. Call to Order — Leonard
2. Approval of Minutes for meeting of March 22, 2022 — Leonard
3. Update regarding Annual Native Plant Sale and Environmental Workshop — Cindy and Roger
4. Update on status of plans to reduce erosion risk to the Saul Preserve trail from future Ridley Creek flooding — Leonard
5. Update regarding Japanese Knotweed control/management in Long Point — Leonard
6. Update regarding Preserve Information Plan, Preserve map, and trail class designations — Jim
7. Scheduling of project work days for May — Jim
8. Update regarding installation of the two new pet waste stations — Jim
9. Continuation of discussion about Preserve maintenance activities that have previously been performed or suggested:
  - clearing of invasive vines and stilt grass from newly planted trees and shrubs in the Chadwick and Saul Preserves
  - management of garlic mustard
  - management of English ivy
10. Update regarding filling of vacancy for EAC voting member — Leonard
11. Discussion about various ideas suggested by current EAC voting members
12. Old and new business — Leonard
13. Adjourn — Leonard

NOTE: Item 11 will likely need to be continued to the May meeting because of time limitations. Absent unexpected intervening circumstances, I intend to make item 11 a primary focus of our May meeting. Discussion about a proposed Preserve Management Plan will be scheduled as a part of our June meeting.
